Internal Examiner

Head of the Department

Prof. Deepalakshmi R

ACKNOWLEDGEMENT

I would like to express my deepest gratitude to everyone who supported and guided me throughout my internship and helped me complete this report successfully.

First and foremost, I would like to thank **Freethinking Foundation** for giving me the opportunity to intern with their team and contribute to the development of their educational website. This experience has enriched my technical knowledge and provided real-world exposure to web development and teamwork.

I extend my sincere thanks to the **Principal** and **Faculty of the Department of BCA, NMKRV College for Women**, for their constant encouragement and support throughout my academic journey and during this internship.

A special mention to my **internal guide and mentor**, who provided insightful feedback, helped me overcome challenges, and guided me through each step of this project with patience and dedication.

Table of Contents

SI.NO	Contents
1	Abstract
2	Introduction to Web Development
3	Project Specifications
4	Hardware Specification
5	Software Specification
6	Web Development Overview
7	Development and Hosting Tools
8	Backend Technologies
9	Database Design & Schema
10	Introduction to HTML
11	CSS Overview
12	JavaScript Basics
13	PHP Overview
14	Project Discussion and Snapshots
15	About Freethinking Foundation
16	Challenges Faced and Solutions
17	Security Considerations
18	Future Scope & Improvements
19	Project Overview
